The fundraiser will be Feb-May - once a month.

The Student Advisory Council will use the funds to do community projects - for example, they will go to the adult daycare and do crafts with the residents.

Thank you!

Yes. Send the information on when the fundraiser will take place and what the funds will be used for to me and I'll put it on the agenda.

Thanks,  
Sarah

Hey Sarah, our Student Advisory Council is having a school fundraiser with Kona Ice to be able to do community projects. Does this need to be board approved?

Thanks!
