Mrs. Booth,

After a great deal of thought I have decided to retire and no longer teach full time after this year. The decision was especially difficult for me because of the wonderful people that have made me feel completely welcome in Gallatin County. The support has been phenomenal and my retirement comes from purely personal reasons. I have grandchildren that I miss seeing and would like to be able to visit my children more often.

Thank you for the opportunity to teach in a school that supports its teachers and truly cares about the students.
