#### **School Board Appreciation Month**

This month is School Board Appreciation Month, and I would like to take this opportunity to express my sincere appreciation for your service as a member of the Dawson Springs Independent School Board.

We are truly grateful for your outstanding dedication to Dawson Springs Schools and our community. We recognize that serving on the school board requires a significant investment of your personal time, effort, and thoughtful consideration. Your measured and rational approach to decision-making is a tremendous asset to the Dawson Springs School System.

On behalf of the students, faculty, and staff of Dawson Springs Jr./Sr. High School, thank you for your willingness to serve and for your continued commitment to the education of our young people. You are to be commended for the leadership and dedication you bring to this role.

At Dawson Springs Schools, we value our school board members as true partners, united in shared goals and a common vision for student success. Best wishes for a successful year as you continue to lead the Dawson Springs Independent School Board
