January 2026 Board Report

Daycare Report

- Final Balance Report

Early Childhood

- Have been looking at replacing the preschool curriculum for next year. We have funds through a grant from Erica Huff that are to be used for early childhood. We currently use creative curriculum and it has not been replaced for a while. Looking at Frogstreet and scholastics Pre-K on my Way.
- Attended "Play with a Purpose" training to focus on reaching families birth-3 in order to begin interactions with families while educating them as well.

Special Education

- Was awarded the SPARK grant in conjunction with the Regional School Programs. It is a one year grant for \$75,0000 that will go towards purchasing project discovery kits and vocational assessments to use with students 7-12 to support post secondary readiness for students with special needs.
