

**Curriculum, Instruction, and Assessment  
Board Agenda  
Wednesday, January 28, 2026**

**PROFESSIONAL DEVELOPMENT**

- Second semester walkthroughs have begun at Lincoln.
- Attended “The 4 Essential Roles of Leadership” through NKCES with Mr. Haskamp on 1/23.

**ASSESSMENT**

- Twenty-four students took the ASK exam on 1/16. Seventeen students passed the ASK exam. This is easily a record for us for how many students have passed the assessment on a single testing date. The ASK exam is an end of program assessment for our administrative support pathway. Bravo to Ms. Miller and Mr. Khan for all of the work that they do with our business students!
- Work has begun on the March SAT. This year, we will have students taking the SAT at DHS, RSP, and Ignite.

**OTHER TOPICS OF INTEREST**

- The CDIP, as well as the school CSIPs, have been completed. The CDIP is up for board approval.
