Dear Sharla,

On behalf of the FourEvergreen Foundation, I am pleased to enclose a check for Anchorage Public School, in the amount of \$12,645. This is designated for the APS Innovation Lab Project. Please note, no portion of the grant funds may be used as security, a source of payment for debt services on municipal securities or municipal bonds repayments.

The FourEvergreen Foundation does not seek any recognition or publicity for the grants it makes, since our focus is exclusively on the help the grant can provide. If publicizing the grant will assist your organization in reaching its objectives, then we are supportive of your publicity efforts. The grant may be publicized as follows: **FourEvergreen Foundation**. Absent that, we are simply delighted to be in a position to support your efforts without any recognition.
