

Dear 2025/2026 APS School Board Members,

I hope this message finds you well. The APTA is excited to once again host our annual auction evening on March 7 at Owl Creek Country Club.

In previous years, Mr. Dunn and Mr. Walters generously offered waived Active Anchors Club costs for the remainder of the school year (following the auction) as auction items. These offerings have been well received and highly valued by our community.

Due to the recent financial restructuring of these programs, the funds associated with Active Anchors are now considered District funds. With that in mind, the APTA respectfully requests that the Board consider continuing these two offerings as auction items.

If approved, I would be happy to submit the donation on the Board's behalf. We would simply need confirmation of the overall value for each offering.

Thank you for your continued support of the APTA and our school community. We sincerely appreciate your time and consideration.

Best regards,

Sadie Durbin
APTA Auction Chair
