#### Good News Report

Lakeside Church generously supported 12 families by providing Christmas gifts this season. Our KSA Awards Night celebration has taken place and was filled with smiles and laughter. Family engagement continues to rise, increasing from 93% to 95%, with nearly all families attending at least one school event. Our November Dance Party following Thanksgiving break helped boost attendance, and we saw daily attendance increase to 96.8%, compared with 94.3% on the same day in 2024. Two students were selected to participate in the Shop with a Cop program with the Covington Police Department, and five students were chosen to shop with a veteran through a program hosted by the Latonia American Legion. We were also excited to welcome NKU's Women's Basketball Team, who visited our school, ate lunch with 4th- and 5th-grade students, and even joined some for a friendly game of dodgeball.
