

# Employee Spotlight: Mary Lewis School Counselor

Raised in Eastern Kentucky, I am a School Counselor with a deep commitment to service and lifelong learning. I am dedicated to supporting students, families, and school communities with compassion, care, and authenticity. The values my parents and grandparents instilled in me—especially the importance of helping others—continue to guide my purpose every day.

I have had the privilege of working with students and schools across the Commonwealth through a variety of roles. Serving on community boards such as Kentucky Youth Advocates and Leadership Madison County has strengthened my ability to connect families with meaningful resources. I also cherished my experiences as a CASA volunteer and as a Teen Outreach Program trainer. My two beautiful children are my greatest accomplishment, along with our cat, Porsche. In my free time, I enjoy spending time with my kids and friends, reading biographies, dancing, and exploring my new love for meditation.

I am grateful for the opportunity to serve students—this work is not just my job, but my passion. I feel truly fortunate to collaborate with such wonderful staff, families, and community partners.
