Public Schools

**Superintendent's Report**  
**Monday, February 9**

# Staff Development

Preschool, kindergarten, first grade, and ECE teachers at Lebanon Elementary worked together recently to implement the pyramid model, which is a framework for supporting the social and emotional development of children.

# Staff Development

The district's new teachers recently participated in a full-day instructional support session that included classroom observations, reflection, coaching, and collaborative planning focused on strengthening instruction for the second semester.

# Peak Moments

Glasscock Elementary celebrated its KSA scores by having a Green Glow Party during recess. That night, students who scored proficient or distinguished were invited to an awards ceremony.

# Peak Moments

The SkyDome Planetarium visited Glasscock Elementary while several classes were studying space as a part of CKLA units. The planetarium is scheduled to be at West Marion Elementary later this month.

# Peak Moments

The West Marion Elementary academic team recently won the district championship, which was held at Lebanon Elementary.

# Peak Moments
