

**JEFFERSON COUNTY PUBLIC SCHOOLS  
CONTRACT FOR THE PROCUREMENT OF PROFESSIONAL SERVICES**

THIS CONTRACT FOR PROCUREMENT OF PROFESSIONAL SERVICES (hereinafter "Contract") is entered into between the JEFFERSON COUNTY BOARD OF EDUCATION (hereinafter "Board"), a political subdivision of the Commonwealth of Kentucky, with its principal place of business at 3332 Newburg Road, Louisville, Kentucky 40218 and Crazee 4 Bricks (hereinafter "Contractor"), with its principal place of business at 2700 Belknap Beach Rd, Prospect, KY 40059.

WITNESSETH:

WHEREAS, the Board desires to procure the particular services of Contractor, which are more fully defined below; and

WHEREAS, Contractor has held itself out to be competent and capable of performing the services contracted for herein;

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the Board and Contractor (hereinafter "Parties") agree as follows:

ARTICLE I

Entire Agreement; Amendments

This Contract is the entire agreement between the Parties and supersedes any and all agreements, representations and negotiations, either oral or written, between the Parties before the effective date of this Contract. This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

ARTICLE II

Services

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

Contractor shall provide after-school programs, workshops and Family/Literacy/STEAM Events-Station format focusing on science, technology, engineering, art and mathematics (S.T.E.A.M.) and literacy concepts using technology and a variety of tools to reinforce subject matter. Development of teamwork, social skills, and problem solving are also modeled. These programs are designed to meet state curriculum standards and comply with after school components of the FRYSC Grant. Dates and locations for all services shall be agreed upon by the Contractor and each school. If services are provided remotely, a JCPS staff member shall be present for all video or audio calls between Contractor and students.

Deliverables: Sessions are charged per class, not by individual student, and sessions are typically six weeks in length. If a school chooses to run two sessions, the second session is offered at a discounted rate. Any additional sessions beyond the second are offered at the final discounted rate.

Class size is capped at 18 students, which is an ideal number for one instructor given the hands-on nature of the program. Each instructor is equipped with one kit containing sufficient materials for up to 20 students. When demand exceeds capacity and a waitlist is created, I allow two additional students as scholarship placements at no additional charge to ensure accessibility. All student registration is completed directly through my website.

Classes are one hour in length and follow a consistent structure. We begin by introducing the model to be built and sharing three fun facts related to the lesson. Students are then paired up and work collaboratively to build the model, practicing teamwork by taking turns, counting pieces, handing parts to their partner, and alternating roles during assembly. Lessons are different each week.

For grades K–2, lessons focus on foundational building skills, early engineering concepts, and real-world connections. Examples include U.S. Landmarks (Empire State Building, Hancock Building, White House), Tri-Continental Track, and an Architecture Timeline (pyramids, castles, Mayan temple).

For grades 3–5, we utilize LEGO® Technic bricks, offering hundreds of possible models that introduce more advanced engineering concepts. Examples of these themes include Land and Sea, Transportation Timeline, and Dinosaurs.

Once the model is completed, and if time allows, students may modify their build and use mini-figures for role play and creative exploration. The final five minutes of class are reserved for disassembling the model and returning pieces to the kit in the same organized manner in which they were received, reinforcing responsibility and respect for shared materials.

### ARTICLE III Compensation

The Board shall pay Contractor the total amount stated below (hereinafter “Contract Amount”). The Contract Amount shall be paid in a lump sum upon completion of the Services, unless a schedule of progress payments is stated below. The Contract Amount shall be for total performance of this Contract and includes all fees, costs and expenses incurred by Contractor including but not limited to labor, materials, taxes, profit, overhead, travel, insurance, subcontractor costs and other costs, unless otherwise stated below. To receive payment, Contractor must submit an itemized invoice or invoices. If progress payments are authorized, each invoice must specify the actual work performed. If payment of costs or expenses is authorized, receipts must be attached to the invoice.

Contract Amount:	Not to exceed \$40,000 for fiscal year
Progress Payments (if not applicable, insert N/A):	Each participating FRYSC will submit invoice after services are performed and services will be paid for by the school FRYSC unitsA
Costs/Expenses (if not applicable insert N/A):	N/A
Fund Source:	Various school FRYSC budget codes

ARTICLE IV  
Term of Contract

Contractor shall begin performance of the Services on February 10, 2026 and shall complete the Services no later than June 30, 2026, unless this Contract is modified as provided in Article VIII.

ARTICLE V  
Performance of Services by Contractor

The Services shall be performed by Contractor, and in no event shall Contractor subcontract with any other person to aid in the completion of the Services without the prior written approval of the Contract Administrator defined below.

Contractor shall appoint one person who shall be responsible for reporting to the Board on all Services performed under the terms of this Contract and who shall be available for consultation with the Contract Administrator.

Contractor is an independent contractor, not an employee. Contractor is responsible for the payment of all federal, state and local payroll taxes and providing unemployment insurance and workers compensation coverage to Contractor's employees. Contractor shall provide all equipment, materials and supplies necessary for the performance of the Services.

Contractor shall at all times during the term of this Contract comply with all applicable laws, regulations, rules and policies. Contractor shall obtain and keep in force all licenses, permits and certificates necessary for the performance of the Services.

Contractor agrees to hold harmless, indemnify, and defend the Board and its members, agents, and employees from any and all claims or losses accruing or resulting from injury, damage, or death of any person, firm, or corporation, including the Contractor himself, in connection with the performance of this Contract. Contractor also agrees to hold harmless, indemnify, and defend the Board and its members, agents, and employees from any and all claims or losses incurred by any supplier, contractor, or subcontractor furnishing work, services, or materials to Contractor in connection with the performance of this Contract. This provision survives termination of this Contract.

Unless waived in writing by the Chief Finance Officer, Contractor shall maintain during the term of this Contract policies of primary insurance covering the following risks and in at least the following amounts: commercial general liability, including bodily injury, property damage, personal injury, products and completed operations, and contractual, \$1,000,000; and automobile liability, \$1,000,000. Contractor shall furnish to the Contract Administrator certificates of insurance evidencing this coverage and naming the Board as an additional insured. Additionally, Contractor shall maintain workers compensation coverage

with limits required by law; and professional errors and omissions coverage with minimum limits of \$1,000,000. Contractor shall furnish certificates of insurance evidencing this coverage to the Contract Administrator.

#### ARTICLE VI Equal Opportunity

During the performance of this Contract, Contractor agrees that Contractor shall not discriminate against any employee, applicant or subcontractor because of race, color, national origin, age, religion, marital or parental status, political affiliations or beliefs, sex, sexual orientation, gender identity, gender expression, veteran status, genetic information, disability, or limitations related to pregnancy, childbirth, or related medical conditions.

#### ARTICLE VII Prohibition of Conflicts of Interest

It shall be a breach of this Contract for Contractor to commit any act which is a violation of the provisions of Article XI of the Regulations entitled "Ethics and Standards of Conduct," or to assist or participate in or knowingly benefit from any act by any employee of the Board which is a violation of such provisions.

#### ARTICLE VIII Changes

The Board and Contractor may at any time, by mutual agreement set forth in a written addendum, make changes in the definition of the Services; the scope of the Services; and the Contract Amount. The Contract Administrator and Contractor may, at any time, by mutual agreement set forth in a written addendum, make changes in the time within which the Services are to be performed; the schedule of Progress Payments; and mutual Termination of the Contract.

#### ARTICLE IX Termination for Convenience of the Board

The Board may terminate this Contract in whole or in part at any time by giving written notice to Contractor of such termination and specifying the effective date thereof, at least thirty (30) days before the specified effective date. The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

#### ARTICLE X Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI  
Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII  
Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

ARTICLE XIII  
Contract Administrator

The Board hereby appoints Dr. Gwen Goffner as Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. As necessary, the Contract Administrator may appoint a successor to serve as Contract Administrator through written notice to the Contractor and the Chief Finance Officer. If at any time, the Contract Administrator is no longer in the employment of the Board, the Board's Chief Financial Officer shall appoint a new Contract Administrator and provide notice of that appointment to Contractor.

ARTICLE XIV  
Right to Audit

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services. Inspection shall take place during normal business hours at Contractor's place of business. Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.

ARTICLE XV  
Miscellaneous

- A. All Articles shall be construed as read, and no limitation shall be placed on any Article by virtue of its descriptive heading.
- B. Any notices or reports by one Party to the other Party under this Contract shall be made in writing, to the address shown in the first paragraph of this Contract, or to such other address as may be designated

in writing by one Party to the other. Notices shall be effective when received if personally delivered, or three days after mailing if mailed.

- C. If any part of this Contract is held to be void, against public policy or illegal, the balance of this Contract shall continue to be valid and binding.
- D. This Contract shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky.
- E. No delay or omission by either Party in exercising any right under this Contract shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of this Contract.
- F. At all times during the term of this Contract, Contractor shall comply with the Family Educational Rights and Privacy Act of 1974. If Contractor has access to student records, Contractor shall limit its employees' access to those records to persons for whom access is essential to perform this Contract.
- G. If this Contract requires Contractor and/or any employees of Contractor access to school grounds on a regularly scheduled and continuing basis for the purpose of providing services directly to a student or students, all individuals performing such services under this Contract are required to submit per KRS 160.380 to a national and state criminal history background check by the Department of Kentucky State Police and the Federal Bureau of Investigation and have a letter, provided by the individual, from the Cabinet for Health and Family Services stating no administrative findings of child abuse or neglect found through a background check of child abuse and neglect records maintained by the Cabinet for Health and Family Services.
- H. Contractor shall be in continuous compliance with the provisions of KRS Chapters 136, 139, 141, 337, 338, 341 and 342 that apply to the Contractor or subcontractor for the duration of this Contract and shall reveal any final determination of a violation by the Contractor or subcontractor of the preceding KRS Chapters.

Jefferson County Public Schools

NON-COMPETITIVE DETERMINATION EXPLANATION

Describe how you determined that competitive vendor selection is not feasible?

Documentation requirement for all noncompetitive D&F transactions, including contracts and purchases of products at any dollar amount: Requisitioner must document how they determined that the vendor qualified for noncompetitive purchasing. This explanation may include documenting the efforts to find other vendors who provide a similar service/product and/or a list of services/products reviewed and the specific attribute that made the selected service/product distinctly different. This documentation must be attached to contracts during the routing process and attached to the requisition for purchases of all services/products using noncompetitive purchasing.

Requirement for all purchases of \$50,000 or more: Requisitioner must include evidence of cost center approval. This may be accomplished by attaching the Requisition to Purchase form to the Munis requisition or by attaching an approval email from the cost center head. Document negotiation efforts to receive the best price for the service/products being procured.

What specific criteria/criterion is/are necessary for this product or service?

The criteria needed for peer mediation training at Lassiter Middle School

\*specific to children/students (not adults)

\*provides in-person lessons at the school

\*curriculum teaches conflict resolution skills to students to assist classmates work out disagreements

\*with a reasonable cost

\*from an established local vendor with experience working in a school setting and JCPS schools

What steps did you take (i.e. research) to determine this was the only vendor available?

I researched online for peer mediation training for students, finding only Peace Education providing in-person training and agencies in other states who can provide the services virtually but who do not have the track record working with local schools as Peace Ed. does. In addition, many peer mediation services either do not provide conflict resolution training or do not offer training to children.

Each year, we conduct our staff survey regarding services. The FRYSCs consistently express a desire to utilize this program. We will continue to seek a return on investment and review its effectiveness through staff surveys prior to renewal.

IN WITNESS WHEREOF, the Parties hereto have executed this Contract to be effective as of February 11, 2026.

NON-COMPETITIVE DETERMINATION EXPLANATION

Describe how you determined that competitive vendor selection is not feasible?

Documentation requirement for all noncompetitive D&F transactions, including contracts and purchases of products at any dollar amount: Requisitioner must document how they determined that the vendor qualified for noncompetitive purchasing. This explanation may include documenting the efforts to find other vendors who provide a similar service/product and/or a list of services/products reviewed and the specific attribute that made the selected service/product distinctly different. This documentation must be attached to contracts during the routing process and attached to the requisition for purchases of all services/products using noncompetitive purchasing.

Requirement for all purchases of \$50,000 or more: Requisitioner must include evidence of cost center approval. This may be accomplished by attaching the Requisition to Purchase form to the Munis requisition or by attaching an approval email from the cost center head. Document negotiation efforts to receive the best price for the service/products being procured.

What specific criteria/criterion is/are necessary for this product or service?

The criteria for selecting the Crazee 4 Bricks program was created for after-school, and summer camp programs for children using LEGO bricks. These programs focus on teaching principles of science, technology, engineering, and mathematics (STEM). Station format focusing on science, technology, engineering, art and mathematics (S.T.E.A.M.) and literacy concepts using technology and a variety of tools to reinforce subject matter.

The program aligns to district focus on literacy and numeracy and aligns with the state after school components of the FRYSC grant. The engaging activities at various elementary and middle schools, in conjunction with FRYSCs.

What steps did you take (i.e. research) to determine this was the only vendor available?

JCPS because it aligns with our goals and state requirements. This program emphasizes hands-on teamwork, social skills, and problem-solving skills, all of which help build confidence. The program includes targeted strategies designed to foster trust among participants. The services are educational entertainment which does impact student engagement. This does align to FRYSCs goal of removing non-cognitive barriers to learning which this will create engagement. In our review, we researched various programs aimed at building confidence and engagement.

Each year, we conduct our staff survey regarding services. The FRYSCs have expressed a desire to utilize this program. We will continue to seek a return on investment and review its effectiveness through staff surveys prior to renewal.
