

**Bourbon County Middle School**

February 10th, 2026

The Bourbon County Middle School Academic Team is requesting the School Board's approval to stay overnight for their state academic team competition March 20-23. The competition will be at The Galt House in Louisville. The hotel has doors that open into the hotel building, not motel-style that open outward.

We are not yet sure which of these days we would need to stay overnight as we don't know for which areas we will have students qualify. But we believe that the state competition will be a safe and rewarding experience for those who have been working all year for this opportunity. We respectfully request for you to allow us to go to attend and we are looking forward to seeing Bourbon County students shine!

Thank you,
