Consent Agenda Item (Action Item):

Approve the creation of an external boosters club for girls' softball at Prestonsburg High School.

Applicable State or Regulations:

Board Policy 01.11 General Powers and Duties of the Board

Fiscal/Budgetary Impact:

No negative fiscal impact on the school or district. The softball program will benefit from having an external boosters club to supplement school resources.

History/Background:

Prestonsburg High School does not have a formally recognized external booster organization for the girls' softball program. As a result, fundraising is limited, staff face increased administrative duties, and opportunities for community and alumni involvement are reduced. Establishing an external booster organization would allow community members to provide additional support and ensure compliance with all board policies and Kentucky Department of Education guidelines.

Recommended Action:

Approve the creation of an external boosters club for the girls' softball program at Prestonsburg High School.
