Dear Members of the Allen County Board of Education,

My name is Beth Page, and I serve as the Community Pastor at Victory Hill Church. I am writing on behalf of Victory Hill Church and the Victory Hill Dream Center to respectfully request approval to allow firearms and knives on school property during our annual Sportsman's Dinner, that we hope to schedule for September 12th, to be held at the Allen County-Scottsville High School Athletic Complex.

For many years, Victory Hill Church has hosted an annual Sportsman's Dinner on our church campus. This event has continued to grow each year and has now outgrown our current facilities. Because of this growth, we are seeking to utilize the Athletic Complex to better accommodate attendees, vendors, and event activities.

The Sportsman's Dinner is a family-friendly, community-centered event that includes a fish fry and smoked chicken dinner, an inspirational guest speaker who is an avid outdoorsman, and vendor booths featuring outdoor and sporting-related products. This year, we are honored to welcome John "Godwin" Godwin from *Duck Dynasty* as our featured speaker. He is well known for promoting family values, faith, and responsible outdoor sportsmanship, which aligns with the heart of this event. In recent years, we have also added a large silent auction, as well as giveaways and raffles, which have become a major draw for attendance and community engagement.

All vendors participating in this event are required to complete an application and approval process. This allows us to carefully review participants and maintain a safe, organized, and professional environment. In addition, we provide on-site security throughout the duration of the event to ensure the safety of all attendees, volunteers, and staff.

This event has become our largest annual fundraiser and directly supports the mission of the Victory Hill Dream Center. The Dream Center serves as a vital community hub in Scottsville, providing food assistance, recovery support, life-skills programs, and resources for individuals and families in need. Our ministry works closely with local partners to walk alongside those facing hardship and those seeking long-term recovery and stability.

Regarding firearms and knives at this event, we want to assure the Board that all items would be handled in a responsible, controlled, and lawful manner. These items are primarily part of

vendor displays and silent auction offerings and would not be used in any unsafe or inappropriate way. We are committed to following all local, state, and school district safety guidelines and are willing to work closely with school officials and local law enforcement to ensure proper security measures are in place.

Our goal is to host an event that reflects positively on our community, promotes responsible outdoor sportsmanship, and raises critical funds for programs that directly benefit Allen County residents and schools.

We greatly appreciate your time, consideration, and service to our community. We would welcome the opportunity to answer any questions or provide additional details as needed. Thank you for considering our request and for your continued support of efforts that strengthen and serve our local families.

Sincerely,

Beth Page
