

Monthly Board Report English Learner Services - February 2026

Current total EL student population: 8

Grandview ES: 2

Bellevue MS/HS: 6

ACCESS testing was completed for all students in January. Students put forth good effort and I am optimistic about their scores which will come in at the end of April. 5 EL students (2 at GES and 3 at BMHS) are receiving direct services each week.

I am co-leading a virtual book study for *The Writing Revolution 2.0* from February through May. Participants will receive a stipend. We have one participant signed up from Bellevue.
