Infinite Campus records show that the FRC provides 60+ students with clothing over 175 times in an average year. We feel that this number will dramatically increase at Southgate and maintain at GES. We will expect to provide clothing for up to 100 students over 200 times as measured through Infinite Campus documentation.		July 2026 through June 2028 The FRC will maintain a stock of clothing at both GES and Southgate for students in need of emergency changes of clothes. This stock will include underwear, socks, shirts, sweats, pants, sweatshirts, hats, gloves and coats/jackets. Based on Infinite Campus records and the 2025 Parent Survey, Utilities shut-offs are occurring monthly for an estimated 2 families per month. 8-12% of families stated that they are on the verge of losing utilities in any given month. We expect that number to increase. The FRYSC will refer 10 to 20 families for assistance with utility bills as documented in Infinite Campus.		July 2026 through June 2028 The FRYSC will research and maintain a listing of resources to assist families who are in danger of shut-offs for gas, electric, water, internet and sewerage. Upon request families will be given referrals and assisted through the process.		Butler Foundation, Brighton Center, CAC, Salvation Army, St, Vincent DePaul, St. John's Church.

Ky. KIP data suggests that nearly 20% of families state-wide are unable to afford or access standard preventive dental care. According to our school nurses, somewhere around 30 students at each school actively participated in Dental Exams and Flouride treatments in previous years. We will seek to provide same or higher levels of care as measured and documented in Infinite Campus and Nurse treatment logs.		July 2026 through June 2028 In conjunction with both school nurses, the FRYSC will assist in providing students with free dental exams, flouride treatments and dental cleanings through the Northern Kentucky Health Department. Historical data suggests families will request assistance in enrolling their children into preschool at either Grandview or Southgate. We will refer and assist 25 to 40 families in doing so or in finding alternatives if space is not readily available. This will be measured by referrals and documented in Infinite Campus and FRYSC records.		July 2026 through April 2027 July 2027 through April 2028 All families requesting assistance in enrolling their children into Preschool will receive information and assistance in doing so. Anyone not able to enroll will receive a referral to a high quality, affordable alternative for the children. After discussions with School and District administration, the FRYSC will partner with Preschool staff and administration to provide an age 0-5 Family education component similar to "Born Learning" at Grandview Elementary. We expect to reach 15 families through this program. This program will utilize pre and post surveys, interest surveys, milestone documentation and be documented in Infinite Campus.	Spring 2027/Spring 2028 FRYSC staff will work in conjunction with Preschool staff, district administration, community partners, kindergarten staff and others to develop and deliver an age 0-5 family learning program similar in scope to Born Learning. The program will be based on concepts of Conscience Discipline Parenting skills and in line with the Kentucky Governor's Office of Early Childhood Family Guidelines.
