Superintendent Updates**

KDE Reviews

- The KDE review took place the week of February 2 and concluded the week of February 9.
- The review team will deliver the official reports on February 26.
- During the process, we were able to highlight many of our district's strengths.
- We also had productive conversations about identified areas for growth and outlined clear paths toward continued improvement and success.

Grant Success: Read to Achieve (RTA)

Total Award: \$140,000 (\$70,000 annually for two years)

Target Group: K–3 Students

Primary Focus: Early literacy and intensive reading intervention

Goal: Providing critical support to get struggling readers back on track.

Grant Success: Read to Achieve (RTA)

Legislative Update

- The Kentucky General Assembly is considering several bills impacting public education this session.
- Proposed legislation focuses on district governance, financial transparency, leadership training, and several other areas.
- Lawmakers are also discussing potential expansion of early childhood education.
- Education remains a legislative priority with an emphasis on accountability and oversight.
