KRS 161.020, 161.028, 161.030, 161.095, 161.1211, and 16 KAR 8:030

History/Background:

Existing Policy: KRS 161.1211 establishes the classifications of teachers. According to the statute, an educator may obtain Rank II by obtaining a master's degree, acquiring National Board Certification or successfully completing equivalent continuing education. Rank I is obtained by meeting the requirements of Rank II and having an additional thirty hours of approved graduate credit, a master's degree, National Board Certification or equivalent continuing education. KRS 161.095 provides that the EPSB shall develop standards for continuing education including college/university courses, an advanced degree or a combination of field-based experiences, individual research, and approved professional development. 16 KAR 8:030 sets forth the continuing education requirements for CEO Plan I and Plan II for rank change. CEO Plan II allows districts, groups of districts (such as educational cooperatives), and Kentucky institutions of higher education with EPSB-approved educator preparation programs to submit a continuing education option plan with a combination of field-based experiences, individual research and approved professional development to the EPSB for approval. The EPSB also approved the CEO Plan II Guidelines that provide information for districts, groups of districts and institutions of higher education to design and submit a continuing education option plan that aligns with the requirements of 16 KAR 8:030 and KRS 161.095.
