

Board Report

February 2026

Jim Seward, Director of Technology

Erate Funding

The 2026 federal Erate filing window is now open and will remain open through February. This is the time for school districts to submit funding requests for the 25-26 school year. I have submitted for continued support of our fiber connection to Ben Flora and continuation of MIBS project.

Summer Planning

In addition to our normal schedule, I am looking to put Chromebooks in the first grade.

Access Control

I am currently entertaining quotes for wireless access control locks for our high school and central offices.
