

DEPARTMENT OF DEFENSE EDUCATION ACTIVITY
FORT KNOX HIGH SCHOOL
266 MAINE ST, BLDG 7501
FORT KNOX, KY 40121

13 February 2026

Dear Mr. Tackett,

Fort Knox High School respectfully submits this formal request for district and region realignment in athletics based on geographic considerations.

Due to our geographic location, we are in closer proximity to District 11/Region 3 and District 21/Region 6. As such, we believe realignment to one of these districts would better reflect our geographic position and support logistical efficiency for our athletic programs.

We are willing and prepared to make this transition as soon as possible, including the 2026–2027 school year. Should Meade County request to return to District 17/Region 5, our top preference would be to move to District 11/Region 3.

Alternatively, we are open to moving to District 21/Region 6 if that is determined to be the more practical and geographically appropriate option.

Please let me know if any additional information is needed to assist in your consideration of this request. Thank you for your time and thoughtful review.

Respectfully,

Jackie Prather
Jr./Sr. School Counselor
Athletic Director
