Good morning. We will submit your letter regarding realignment to the Board agenda for next Thursday. It is not scheduled as an action item, but will be read into the record during the public comment session when the meeting begins at approximately 8:45. While you are welcome to be present, it will not be an action item. I suspect the Board's May meeting discussion may begin, and if the officers place the item on the agenda, we will be sure to let you know in plenty of time in case you all want to appear. This is more of a marathon process than a sprint, as we explained before.

At that same meeting, we will also be placing into the record a request from Meade County High School to change districts and region, with one of their options requested being a move to the 11th District. The timing could certainly influence the discussion on both issues.
