Hello Dawson Springs Leaders!

I hope that you are finally thawed out from the all of the snow and ice that hit ½ of America the last few weeks! Once all of the snow melted in my yard, I had daffodils and dandelions beginning to bloom...WOW! Come on Spring! 😊

I wanted to share with you a quick snapshot of the CKH Middle of Year data that the elementary participated in just before Christmas. IT IS FANTASTIC! I am so proud of Jennifer and Michael and how they are leading their people with purpose and passion through the CKH process. They have been so proactive about asking questions, connecting to other leaders in our monthly cohort calls and then working together to carry it out and it is showing!

This data snapshot is an overall summary of the survey they participated in but it can be reviewed in a specific nature too. The leaders are able to see each question asked and how their campus results compare to the National Score (which is an average of all our CKH National Showcase Schools). I can tell you right now that if Dawson Springs Elementary keeps up the great work they are doing they could EASILY be a National Showcase School next year! How exciting is that to think about?! 😊

Jennifer and Michael, share with Mr. Whalen and Mr. Cavanah, the details of your survey so that they can see all the "green" tabs you have! You are both doing a wonderful job and I am so proud to be connected to you. Thank you for embracing the process and allowing me to walk along side you in the journey! Keep up the great work! ❤️

Excited for this team!
Carrie~
