## Lincoln Elementary School

### February 2026

#### ***Attendance at Lincoln –***

The percentage of our students attending school regularly has drastically improved AGAIN this school year. This is due to our intentional work of putting specific systems and steps into place. We have set up a tiered system of supports similar to academic and behavior interventions to assist students and their families with attendance needs. These interventions have proven to make an important impact for our students. This work is intense and so very important.

#### **New Community Partners!**

- ***Partners for Change*** – 3<sup>rd</sup> grade mentoring
- ***Adopt a Class*** – Business sponsors for LES grade levels
- **1N5** – 6<sup>th</sup> grade mental health program
- ***Upsprings*** – Tier 3 Attendance groups

**Camp Joy** – We are currently in the middle of another Camp Joy campaign to help fund our overnight 5<sup>th</sup> grade trip for EVERY student. Our goal is to raise enough money to send every fifth grader to Camp Joy with minimal charge.
