NON-COMPETITIVE DETERMINATION EXPLANATION

Describe how you determined that competitive vendor selection is not feasible?

Documentation requirement for all noncompetitive D&F transactions, including contracts and purchases of products at any dollar amount: Requisitioner must document how they determined that the vendor qualified for noncompetitive purchasing. This explanation may include documenting the efforts to find other vendors who provide a similar service/product and/or a list of services/products reviewed and the specific attribute that made the selected service/product distinctly different. This documentation must be attached to contracts during the routing process and attached to the requisition for purchases of all services/products using noncompetitive purchasing.

Requirement for all purchases of \$50,000 or more: Requisitioner must include evidence of cost center approval. This may be accomplished by attaching the Requisition to Purchase form to the Munis requisition or by attaching an approval email from the cost center head. Document negotiation efforts to receive the best price for the service/products being procured.

What specific criteria/criterion is/are necessary for this product or service?

Urban Barbers of Louisville provides trauma-informed mental health and violence prevention support. They utilize a culturally responsive and trusted model that effectively engages students who may not otherwise access traditional mental health services. The services include mentorship, emotional regulation support, and structured dialogue focused on violence prevention. Services will be delivered in a setting and format that builds trust and rapport with students.

What steps did you take (i.e. research) to determine this was the only vendor available?

The Thoughts Out Loud Mental Health & Violence Prevention Barbershop Initiative uses the culturally trusted space of the barbershop to deliver trauma-informed care, mentorship, and emotional regulation support to students. Each haircut doubles as a "Healing Chair" experience, intentionally creating space for dialogue, trust-building, and violence prevention. Due to the specialized nature of this program and the lack of comparable vendors offering this model, this vendor is uniquely qualified to provide the requested services.
