BACKGROUND INFORMATION:

Board approves all offers from the state

SUMMARY OF MAJOR ELEMENTS:

We have an offer of assistance from the state that we are recommending the board to accept. Since we did a Capital Funds Request during FY 25, this offer would not be restricting any GF dollars and would be additional funds that we can use to pay for debt services and increases our bonding capacity for future projects. There is no downside to accepting this offer. We have accepted these offers in the past when we qualified.
