<p>More After-School and Summer enrichment opportunities for school-aged students are needed across the county- 18% of parents surveyed indicated they need assistance with childcare in the last 2 years, 26.3% of faculty indicate that after-school and summer enrichment activities are among the top needs of students in our district. More after-school opportunities will be developed and information regarding availability will be increased, as measured by attendance logs and IC input.</p>		<p>FRC will partner with community partners (4-H, TC Extension, and other community organizations) to provide after-school and summer enrichment opportunities- after-school clubs, summer camps, etc. FRC will disseminate information regarding these opportunities to parents (flyers through Parent Square and social media, Summer Scoop flyers, etc.) July 2026-June 2028</p>		<p>Todd Co 4-H, Todd Co Extension Services, Local Churches and Organizations, NTES, STES, Todd Co-Elkton Park,</p>

After-School care to support parent work schedules and decrease latch-key time for students in a way that removes transportation barriers- 52% of parents indicate, "yes" and 32.8% "maybe" a need for more none-school hour programs. 39.3% of the parents interested in after-school programming for students report that lack of availability or options for after-school or summer programs is a current barrier, along with transportation/gas cost and time of programming barriers. Creation of after-school and summer enrichment programs will be made with consideration to work schedules and transportation barriers, as measured by pre-program surveys for input on timing and location.	In creation of programming, FRC will take into consideration location, timing, and availability of transportation assistance to help remove participation barriers.
