

2026 - 28		School District		Todd County			
		Center Name		Todd County FRC			
Center Type		FRC					
Action Component		FIT (Families in Training)					
Goal Of Component		<p>To ensure a productive start in life for every child ages prenatal – 5 (with emphasis on prenatal – age 3), and promote a strong foundation for future school success.</p> <p>Centers will:</p> <ol style="list-style-type: none"> 1. Recruit, engage and educate parents on early child development and parenting skills through consistent and ongoing contact* ; 2. Assist families in identifying developmental concerns; 3. Collaborate with community partners and link families to appropriate prevention and intervention services. <p>* Consistent and ongoing contact includes interactive home visits and group meetings with parents and parents and children together, with an emphasis on expectant parents, infants and toddlers and children not yet in school. Topics should include: Early brain development, child abuse prevention, appropriate developmental experiences and the importance of education.</p>					
Strengthening Families Protective Factors		Place X below all Strengthening families protective factors addressed through this component					
		Resilience	Social Connections	Knowledge of Child/Adolescent Development	Concrete Support in Times of Need	Social and Emotional Competence	Nurturing and Attachment
		X	X	X	X	X	X
Is this an amendment							
Assessed need, desired outcome, measurement		Activity with Timelines		Collaborative Partners			
<p>There is a need to increase early detection and intervention of developmental delays of children ages 0-5, evidenced by an increase of enrollment of students with developmental delays (increased by 10 in 2025 and by 27 in 2024). Growth will be measured by Pre-School enrollment screenings, HANDS and First Steps Programs, and Kindergarten Readiness Scores</p>		<p>FRC will partner with local organizations to distribute educational information to parents on developmental milestones and the significance of early detection and intervention, and will provide referral information where needed. FRC will make home visits when requested or deemed necessary to assist with early intervention, preparedness, enrollments, etc. July 2026-June 2027; July 2027-June 2028</p>		<p>TC Pre-School and Childcare Centers, Todd Co Health Dept, HANDS program, First Steps, Todd Co Public Library, local doctors offices</p>

68% of Todd County children are not Kindergarten-ready. School-readiness skills among incoming Kindergarteners will be increased, measured by Brigance scores.		Todd County FRC will partner with community organizations to identify incoming Kindergarteners and provide an annual Kindergarten Readiness Night to equip parents with knowledge and tools to use with their students to help prepare them for Kindergarten. Spring 2027 and Spring 2028		TC Pre-School Team, NTES, STES, Playschool, Head Start

Increasing developmental delays among preschool-aged children is further evidence of the need to improve early identification and intervention. Measurement: Screenings and referrals completed		FRC will partner with the local Extension Office and Health Department to provide an annual community baby shower, which will provide education, resource information, and support to new and expectant mothers. Fall 2026 and Fall 2027		TC Extension Office, TC Health Dept.

Increase parent knowledge of the significance of early learning and formal education services; and access to learning opportunities. Measured by evaluation and attendance logs.		FRC will collaborate with pre-school on parent-involved learning events for pre-school aged students/families in the community. FRC will work with the Southwest CECC, Todd County Pre-school teams, and the childcare centers to sponsor special programming and materials with information. FRC will also work with TC Public Library to disseminate information about their ongoing programs. July 2026-June 2027, July 2027-June 2028		Southwest CECC, Pre-School Team, Playschool, Headstart, TC Health Dept.
