68% of Todd County children are not Kindergarten-ready. School-readiness skills among incoming Kindergarteners will be increased through earlier enrollment in childcare, measured by Brigance scores and enrollment numbers for Pre-school and local childcare facilities.		Todd County FRC will partner with community organizations to identify Pre-School age students and encourage participation in early learning opportunities. FRC will assist in the referral and enrollment process to help increase participation in educational opportunities. July 2026 - June 2027 and July 2027 - June 2028		TC Pre-School Team, NTES, STES, Playschool, Head Start

Declining preschool enrollment (enrollment decreased by 25 since 2024), especially at NTES, which has seen a 28% drop in enrollment since the 22-23 school year. Increase preschool and/or fulltime childcare enrollment and access. Measurement: Enrollment and referral data	FRC will partner with the TC Pre-School team to assist in the Pre-School screening process, notifying families and organizations of upcoming Pre-School Screenings, and with follow-up for enrollment after screening is complete. July 2026 - June 2027 and July 2027 - June 2028	TC Pre-school

68% of Todd County children are not Kindergarten ready and there has been a continuous decline in Pre-School enrollment. Increase in parent knowledge of the significance of early learning and formal education services has been acknowledged as a need. Pre-School enrollment and parent knowledge will increase and therefore, will help students become more school-ready, as measured by enrollment data and Brigance scores.	FRC will partner with the TC Pre-School, Childcare facilities, Headstart, TC Health Department and TC Public Library to provide education to parents on the significance of early learning and how to implement learning at home. July 2026 - June 2027 and July 2027 - June 2028	TC Pre-School, Playschool, Headstart, TC Health Dept., TC Public Library,
