Consent Agenda Item (Action Item):

Approve the creation of an external boosters club for baseball at Adams Middle School.

Applicable State or Regulations:

Board Policy 01.11 General Powers and Duties of the Board

Fiscal/Budgetary Impact:

No negative fiscal impact on the school or district. The baseball program will benefit from having an external boosters club to supplement school resources.

History/Background:

Adams Middle School does not have a formally recognized external booster organization for the baseball program. As a result, fundraising is limited, staff face increased administrative duties, and opportunities for community and alumni involvement are reduced. Establishing an external booster organization would allow community members to provide additional support and ensure compliance with all board policies and Kentucky Department of Education guidelines.

Recommended Action:

Approve the creation of an external boosters club for the baseball program at Adams Middle School.
