OLDHAM COUNTY BOARD OF EDUCATION

CONCERN

Consider approval of the modified job description for transportation director in Oldham County Schools.

DISCUSSION

In order to maximize the candidate pool, and honor experience in the field of transportation, we have modified the job description to say “4 year degree preferred, but not required.” This way, candidates that have a degree are an option, but also candidates who have a wealth of experience in management and/or transportation.

RECOMMENDATION

Approve the modified job description.
