Dear Mr. Swearingen,

Thank you for giving Traditional Bank the opportunity to extend our deposit relationship for another school term. We are honored to serve as your depository partner.

We agree to extend our pricing of the Daily Federal Fund rate minus .50 basis points. We also guarantee the rate will not fall below .50% at any time during this term. In addition, we will abide by the general conditions and specifications in the official quote form dated March 7, 2025.

Again, we appreciate this opportunity to continue our relationship with the Bourbon County Board of Education. Please feel free to reach out if you have any questions.

Best Regards,
