

Visitors to the Schools

The Board encourages parents, professional educators, and others who have legitimate educational interests pertaining to the District's public school program to visit the schools. For purposes of this policy, the term "visitors" includes any individual who is present on school grounds or who participates in school-related activities, programs, meetings, or events through virtual, electronic, or remote means, whether during or outside the regular school day. All such visitors, including virtual participants, are subject to applicable Board policies, administrative regulations, and school rules.

To ensure that school personnel are aware of visitors' presence, visits to classrooms shall be scheduled in advance unless authorized by the Principal/designee and all visitors must report immediately to the Principal's office upon entering the school and identify themselves as well as declare their purposes for visiting.
