Re: Rumpke Contract Renewal 7/1/26 to 6/30/27

The current contract with Rumpke for trash and recycling services will expire 6/30/26.

Rumpke would be pleased to enter a one-year extension with a 5% increase in the current rates. Please see attached schedule and pricing. This rise is smaller than the increase in landfill disposal costs we have experienced over the past year.

If you approve this one-year extension, please provide your signature below.

Thank you for your consideration. Please let me know if you have any questions.
