Strategic Plan 2026-2030

Why this plan? Why now?

- This strategic plan aligns academics, vibrant learning, talent development, partnerships, parent involvement, and accountability into one coherent system.
- It reflects community input and internal analysis.
- It moves us from the old initiatives to a unified student-centered strategy.
- The central principle: **Students come first in every decision.**
- Our long-term aim: CCPS becomes the region's first and best choice for academic and workforce preparedness.
