Roberts Insurance would like to thank you for the opportunity to provide quotes for your Student Accident Insurance. Our primary focus has been, is and always will be Student Accident Insurance programs, products, and consulting. What differentiates Roberts Insurance from other agencies is our philosophy that student insurance programs should be uniquely designed for each individual institution. Our personalized service and attention to detail throughout the entire year is essential for our mutual success. As a result of continued support, we now insure over 160 districts throughout the state.

For the 2026/27 policy year, we are pleased to offer Elizabethtown Independent Schools the following renewal from National Union Fire (AIG), including a \$7.5 million Catastrophic policy with Zurich American Insurance Company. **Health Special Risk (HSR)** will continue to process the claims:

- **Plan 1: 100% of Usual & Customary - \$41,762.42**

Additionally, this year, there has been a change in the **Voluntary** program that is offered through K&K Insurance. If Elizabethtown Independent would like to offer the coverage, there will be an **administration fee of \$300**. In years past, the district did choose to provide the Voluntary program and had two families purchase it during the 2025-26 policy year so far.
