Good morning,

We have an upcoming competition this weekend that will determine whether our team receives a bid to nationals, which would cover the full entry fee, or if we will be responsible for paying a partial amount.

We have held meetings with parents to discuss travel arrangements and available options. It has been decided that parents will transport their students to and from the competition. Any students whose parents are unable to attend will be transported by the coaches in a school vehicle.

I have secured a room block at **Country Inn & Suites by Radisson, Virginia Beach Oceanfront (1801 Atlantic Ave, Virginia Beach, VA 23451)** for both team members and parents. The dance team will cover the cost of **five rooms** for the dancers and coaches. Parents who plan to attend will be responsible for reserving and paying for their own rooms within the block.

The competition will take place **April 25–26, 2026** at the **Virginia Beach Convention Center**. The detailed competition schedule will not be released until the week prior.

In preparation, I would like the team to arrive in Virginia Beach on **April 23 and April 24** so the girls can practice and prepare for performing on the national stage.

This is a very exciting opportunity for our team, especially for several members who are experiencing their first year of dance. We are proud of their hard work and look forward to supporting them as they take on this competition.

Thank you for your continued support.

Best regards,
Mckalyn Collis
