- **Youth Mental Health Summit:** On Thursday February 12th we took all 8<sup>th</sup> grade students to the Youth Mental Health Summit. Our students did a wonderful job and represented Southgate perfectly! It was great to see them interacting with other middle and high school students in such a positive way.
- **Girls on the Run** for girls in grades 6-8 has started! We have three coaches, a community volunteer, and 9 girls running so far this year. This is something that we really look forward to every year, and we are very proud of everyone who participates.
- **Spelling Bee:** Oliver Perdue will be participating in the regional spelling bee this month! We wish him luck and are proud to have him representing Southgate!
- **Grades 1 and 2** finished working on their feelings unit by making, "I Spy With My Googly Eyes, someone feeling....." pictures. Students picked an emotion and then had to create a face using that emotion.

- **Grades K-4** participated in a community service project, Valentines for Veterans. **A big Thank You to the children of Southgate Elementary School grades K-4 for making beautiful Valentines for our Veterans at the Ft. Thomas VA Hospital. A special Thanks to Lisa Hilf for coordinating the great art work. Pictured is Taylor/Ft. Thomas VA hospital receiving the cards, cookies and various soft drinks.**
