**Consent Agenda (Action Item):** Consider/Approve Bid for Playground Equipment Replacement with Miracle Recreation Equipment Company.

**Application State or Regulation:** Per KRS 424.260-Bids for Materials, Supplies, Equipment, or Services.

**Fiscal/Budgetary Impact:**

Estimated Project Cost: \$300,000 per playground

Funding Source: General Funds, School Funds, and Private Donations

**History/Background:** The district received one bid from Miracle Recreation Equipment Company for the replacement of playground equipment. The proposal includes the purchase and installation of new playground equipment and related site components.

The project will be completed in planned phases to allow the district to manage available funding and minimize disruption to school activities. The Board previously approved permission to advertise for bids on February 23, 2026 (Order #20832).

The long-term goal is to replace playground equipment at all elementary schools within the district over a five-year period, as funding becomes available. The order of installation was determined based on school needs, available matching funds, and student enrollment.

**Recommended Actions:** Approval by the Floyd County Board of Education to accept the bid from Miracle Recreation Equipment Company for the phased replacement of playground equipment at our elementary schools.

**Contact Person:** Kevin O'Quinn, Director of Facilities, 606-886-4550

**Date:** March 12, 2026
