- Insulation
- Lawn/Landscape repairs
- Any work not mentioned above

Qualifications:

Pricing is based on our conversations and site visit on 8/20/25. Water, power, and parking to be provided on site at no additional cost to WASCO, Inc. Work will be performed during normal business hours with no overtime. Work will be continuous and uninterrupted and completed in one mobilization. Pricing is based on work to be completed in June/July of 2026. Scope of work includes demo and infill of 34 existing louvre locations with CMU back up and a brick veneer. I am using a brick allowance of \$900/M. New masonry materials will match existing as close as possible. Samples will be provided for brick and mortar selection. Wasco Inc. will not be liable for damage to lawn or landscaping as a result of equipment use. Gymnasium Demo/Infill scope of work includes demolition of a 4" CMU infill with a concealed window system and infilling with new 8" CMU. Existing jambs will be toothed and grout filled as necessary to tie wall together. **Pricing is good for 30 days.**

Thank you for the opportunity to quote this project. If you have any questions, please feel free to contact me.

Sincerely,
