RE: BG #26-299 Anchorage Ind Miscellaneous

We have finished the documents for the roofing package and are currently working on the plans for the electrical and accessibility packages as well. We would like to put the roofing out as the first bid package and tonight we will share the proposed construction documents with you for your review.

Sample Board Action:

“Move to accept Construction Documents for the roofing bid package and to grant permission to advertise and bid this scope.”

Thank you,
Craig
