

School Defined Course Code: Senior Seminar
For CCPS Board Approval

The Kentucky Department of Education (KDE) requires approval from the local Board of Education for the use of a 909999 course code before a district begins utilizing it within Infinite Campus. Course Code 909999 indicates the course is a “school defined course.”

Christian County High School requests to offer the following course beginning the 2026-27 school year.

Location: Christian County High School

Course Code: 909999-SS

Course Name: Senior Seminar

Course Credit: 1 Credit

Course Description: This is a mandatory anchor course for all seniors that supports the transition process to enrollment in college, enlistment in military, or employment in the workforce through content such as the following:

- Individual Learning Plan
- Profile of a Graduate projects and defense preparation
- Day After Graduation Plans
- College and/or work applications
- Resume’ support
- Scholarship applications
- Community-connected project-based learning opportunities
- Senior experience support: co-op documentation, capstone projects, and/or preparation for EOPA and industry certification exams
- Other important resources for academic success and student transition supports

Curriculum for Senior Seminar will be created in-house with district oversight to ensure alignment to the Academy model and support strategies for students’ senior year transition.
