RE: Stormwater Management/BMP Facilities Agreement (North Bullitt Campus)

Attached for your review and signature is the *Stormwater Management/BMP Facilities Agreement* between the Bullitt County School District Finance Corporation and Bullitt County, Kentucky. This agreement outlines the responsibilities for maintaining on-site stormwater management and Best Management Practices (BMP) facilities associated with upcoming property development.

As part of this process, the Bullitt County School District Finance Corporation will serve as the designated landowner representative for Bullitt County Public Schools. The Finance Corporation will execute the agreement first, after which Bullitt County will sign as the city agency. This ensures that all parties involved—the Finance Corporation, Bullitt County, and BCPS—are aligned in fulfilling the maintenance and compliance requirements set forth in the agreement.

The purpose of this document is to formally establish ongoing maintenance standards for stormwater facilities to protect public health, safety, and welfare while meeting environmental regulations. It also outlines procedures for inspection, reporting, and corrective actions should maintenance issues arise.
