

Pennies for Paws

All Kids Can!

Bring your spare change to school!

Our school is collecting coins to help raise money for **Canine Companions**, an organization that provides **service dogs** to people with disabilities at no cost.

Service dogs help children and adults live more independently and confidently every day.

This fundraiser also reminds us that **ALL kids can**, and **kindness** and **inclusion** matter.

How to Help

- ✓ Bring pennies, nickels, dimes, quarters, or dollars
- ✓ Place your coins in your classroom **collection jar**
- ✓ Every coin helps a future service dog team!
