Menifee County High School Instruction

- Cycle 3 observations are currently being completed at MCHS.
- We are developing the draft master schedule for the 2026–2027 school year, with an emphasis on student needs, course access, and alignment to graduation pathways. We have collected feedback from staff and students.
- KSA schedules are being finalized along with targeted test preparation opportunities to support student success
 - In April, we will begin student conferencing and goal setting to increase ownership of learning and progress monitoring
- Continued focus on maintaining high expectations for all students in both academics and behavior
 - Ongoing implementation of HQIR to strengthen Tier 1 instruction across all content areas
- Continued partnership with and turnaround support team to guide school improvement efforts and monitoring of progress.

Menifee County High School Community Engagement

We are incredibly grateful for the support of our community as we opened our new baseball and softball fields. The turnout for both events was outstanding, and our students are truly enjoying the opportunity to play on these new facilities. Thank you for investing in our students and providing experiences that make a lasting impact—we appreciate your continued support!
