**TO:** Christian County Board of Education

**FROM:** Jessica Darnell, Director of Business

**DATE:** March 20, 2026

**SUBJECT:** Board Approved Fees for FY 26-27

Every year, we are required to review with schools the fees that are being charged to students either for classes, sports, or clubs. Schools are asked to evaluate whether a fee is needed, is still being charged, or needs to be increased or decreased. These fees are the maximum amounts that a school could charge for each item. They do not have to charge the whole amount, but cannot charge any more than these amounts. I have included in your packets the master list updated with the requested changes from the schools.

- Changed Fee – Highlighted in blue
- Removed Fee – Highlighted in green
- New Fee – Highlighted in pink

I have also included a sheet outlining which fees are requested to change for FY 26-27 school year and the reasoning behind each requested change. I am requesting that the board approve the proposed changes in our master fee list for the FY 26-27 school year.
