Each student shall complete the following additional requirements:

- (a) Successfully demonstrate performance-based technology;
- (b) Successfully meet the civics requirement; and
- (c) Successfully complete one (1) or more courses or programs that meet the financial literacy requirements.

ADVANCED COURSEWORK

Students that successfully complete high school advanced coursework shall receive credit toward graduation in accordance with state law.⁵

CIVICS REQUIREMENT

Beginning with the entering ninth grade class of the 2025-2026 school year, and each year thereafter, graduation requirements for each student in every public high school in Kentucky graduating with a regular diploma shall include successful completion of either:

Graduation Requirements

CIVICS REQUIREMENT (CONTINUED)

- a) A one-half (1/2) credit course in civic literacy meeting statutory curriculum and standards requirements; or
- b) A civics test composed of one hundred (100) questions drawn from those that are set forth within the civics test administered by the United States Citizenship and Immigration Services to persons seeking to become naturalized citizens.

The Board shall determine which option shall be required for graduates of the District.

If the Board requires completion of the civics test, the Board shall prepare or approve the test as described. The Board shall disseminate the test and it be administered by each high school in the District. By September 1, 2026, and each year thereafter, the District requiring a civics test for graduation shall submit annual testing data to the Kentucky Department of Education.

A minimum score of seventy percent (70%) is required to pass the test and students may take the test as many times as needed to pass without the use of instructional aids during testing including but not limited to textbooks and internet browser searching. A student shall not receive a regular high school diploma until the student successfully completes the test. Students that have passed a similar test within the previous five (5) years may provide the Board with evidence of successful completion and shall not be required to take the test. The test requirement shall be subject to the requirements and accommodations of a student's individualized education program (IEP) or a Section 504 Plan.⁴

FINANCIAL LITERACY REQUIREMENT

For students entering grade nine (9) on or after July 1, 2025, successful completion of one (1) credit course in financial literacy. The course shall align to the student's individual learning plan and comply with [KRS 158.1411](#).

The Superintendent, after consultation with the Board, the school-based decision-making council, and the Principal of each high school, shall determine curricula for course offerings that are aligned with the financial literacy academic standards.

The financial literacy course requirement shall be accepted as an elective course requirement for high school graduation.

INDIVIDUAL LEARNING PLAN (ILP)

The development of the Individual Learning Plan (ILP) for each student shall be established within the first ninety (90) days of the sixth (6th) grade year and shall focus on career exploration and related postsecondary education and training needs.

ADDITIONAL REQUIREMENTS OF THE BOARD

In addition to the content requirements established by the Kentucky Academic Standards, and the credits required by the minimum requirements for high school graduation in [704 KAR 003:305](#), the Board may impose other requirements for graduation from high school. However, the Board shall not adopt any graduation requirements that include achieving a minimum score on a statewide assessment.

The high school student handbook shall include complete details concerning specific graduation requirements.

Graduation Requirements

OTHER PROVISIONS

In keeping with statutory requirements, the District shall accept for credit toward graduation and completion of high school course requirements an advanced placement or a high school equivalent course taken by a student in grades 5, 6, 7, or 8 if that student attains performance levels expected of high school students in the District as determined by achieving a score of "3" or higher on a College Board Advanced Placement examination or a grade of "B" or better in a high school equivalent.²

The Board may award a diploma to a student posthumously indicating graduation with the class with which the student was expected to graduate.

Consistent with the District's graduation practices for all students, an alternative high school diploma shall be awarded to students with disabilities in compliance with applicable legal requirements. In addition, former students may submit to the Superintendent a request that the District provide them with an alternative high school diploma to replace the certificate of attainment they received at time of graduation from the District.³

A student who is at least seventeen (17) years of age and who is a state agency child, as defined in [KRS 158.135](#), shall be eligible to seek attainment of a High School Equivalency Diploma.

The Board may substitute an integrated, applied, interdisciplinary, occupational, technical, or higher-level course for a required course if the alternative course provides rigorous content.

DIPLOMAS FOR VETERANS

In keeping with statute and regulation, the Board shall award an authentic high school diploma to an honorably discharged veteran who did not complete high school prior to being inducted into the United States Armed Forces during World War II, the Korean conflict, or the Vietnam War.¹
