Consent Agenda Item (Action Item): Permission to advertise for bids for installation of mini split units in Floyd Technology Building A.

Applicable State or Regulations: In accordance with the Kentucky Model Procurement Code, specifically **KRS 45A**, projects exceeding the statutory bid threshold must be publicly advertised and competitively bid.

Board approval is required to authorize administration to advertise for bids and solicit competitive proposals for this project.

Fiscal/Budgetary Impact:

Funding Source: General Funds

History/Background: Floyd Technical Education Center (Building A) currently requires HVAC system upgrades to improve. The existing system is outdated and no longer meets the operational demands of the facility.

The project includes the installation of a new mini-split HVAC system consisting of 10 units. This system will provide efficient heating and cooling throughout the building.

Scope of Work:

- Install all outdoor condensing units on the backside of the building
- Run refrigerant line sets and control wiring
- Mount indoor wall-mounted units and cassette units
- Install outdoor units on wall brackets

Install a 200-amp, 3-phase breaker box and complete electrical wiring to all condensing units

Recommended Action: It is recommended that the Board grant approval to advertise for bids.

Contact Person(s):

Kevin O'Quinn, Director of Facilities
