

April 27, 2026

OLDHAM COUNTY BOARD OF EDUCATION

CONCERN

Consider Approval of 2025-2026 Amended School Year Calendar

DISCUSSION

Annually the board is required to approve the amended school calendar near the end of each school year. As you are aware, there were nine (9) Nontraditional Instructional Days (NTI), two (2) weather-related closures and two (2) Disaster days this school year. Two make-up days used added to the end of the calendar in May. The last day of school will be May 27, 2026.

The days impacted by weather were:

December 2, 2025,	NTI Day
December 12, 2025,	NTI Day
December 15, 2025,	NTI Day
January 16, 2026,	Disaster Day – South Oldham High
January 21, 2026,	NTI Day
January 26, 2026,	NTI Day
January 27, 2026,	NTI Day
January 28, 2026,	NTI Day
January 29, 2026,	Weather Day
January 30, 2026,	Weather Day
February 4, 2026,	NTI Day
February 27, 2026,	Disaster Day – Harmony Elementary
March 2, 2026,	NTI Day

We will end the school year with 170 school days and will have the required minimum of 1062 hours of instruction at all levels.

The Department of Pupil Personnel will be available to answer any questions.

RECOMMENDATION

Approve the 2025-2026 amended school year calendar.
