RE: Kentucky Chamber Membership Renewal

The Kentucky Chamber's legislative priorities this session focus on pro-growth tax reform, expanding access to affordable child care, supporting housing policies that keep homeownership attainable, and strengthening alignment between education and workforce needs. Membership provides strong advocacy in Frankfort along with benefits such as discounts on services, seminars, and publications, and regular legislative updates through resources like *Frankfort Inside Out*.

The annual membership renewal invoice of \$2,060 is enclosed for your consideration. Continued participation supports both policy engagement and access to valuable resources. I ask the Board to approve the Kentucky Chamber Membership renewal.
