

**Lincoln Elementary School
Board Report --- April 2026**

» Celebrating Success « .

Lincoln students in grades 3rd through 6th are gearing up for their upcoming **KSA state testing**. Testing begins the week of May 4th and our students are busy making personal goals to give their best efforts on this important testing. We do plan to celebrate and honor the kids for their **goal setting** initiatives and for their good faith effort on the tests!

Attendance celebrations at Lincoln continue!

Attendance Incentives; The Bellevue Vets Women's Auxiliary hosted a month-long attendance challenge for grade levels and students with perfect attendance from March 10th – April 3rd. Each grade level homeroom with the highest attendance rating PLUS each individual student with perfect attendance during this timeframe all received an ice cream sundae party provided by the auxiliary's generous gift.

Gratitude to families; Using funding from our Educate NKY Grant, we continue celebrating families for their commitment to attending school regularly. We just held our third quarterly dinner experience for winning families at Hometown Heros. Students who have met the quarterly goal get their name put into a drawing with one winning student from each grade level being selected. These winning students get to invite their entire family for a special dinner out!

We are so excited for our 6th graders to present their Celebrations of Learning in the month of May! They have been busy throughout this school year focusing on their personal growth in the areas outlined in our Portrait of a Greendevil.

In just a few short weeks, we will be **thanking and honoring FOUR Lincoln teachers on their much-deserved retirements!** An early CONGRATULATIONS goes out to **Jackie Ellison, Tami Clayton, Stephanie Knauer** and **Jan Willig**. Their combined many years of service to our Dayton students, families and communities is so respected.
